A UNIQUE LOOK AT NEW ENGLAND HISTORY.

The fifth-generation Faddens still own and operate this authentic 18th-century General Store, complete with squeaky floors and original counters and display cases. Inside you'll find all manner of goods for sale including maple products, specialty foods, NH-made items and souvenirs, as well as a museum filled with maple syrup-making artifacts, old photographs, antique store paraphernalia and area memorabilia.

THE SUGARHOUSE boasts five-time winner **Best Maple Syrup in New Hampshire** and one-time winner **Best Maple Syrup in North America!** Learn how maple syrup was made in the past and how sap harvested today from our own sugar orchard containing thousands of maple trees is transformed into one of the world's sweetest and most sought-after delicacies. At the tour's conclusion, guests are offered a sweet sample of our famous maple syrup.

PEG'S RESTAURANT If syrup-making whets the appetite, you can stroll next door for some pancakes or lunch where "you're never too early for lunch or late for breakfast." Owned and operated by the Fadden family and located adjacent to the General Store, Peg's has been serving the traveling public for decades. Known for fast, friendly service and hearty New England fare, Peg's offers ample seating and restroom facilities—capable of accommodating motor coach visits.
